Introduction

Food Industry Capacity & Skill Initiative (FICSI)—widely known as Food Processing Sector Skill Council—is a Not-for-Profit Organization, under aegis of National Skill Development Corporation (NSDC) and promoted by the Federation of Indian Chambers of Commerce and Industry (FICCI). Aiming at generating a critical mass of industry-employable-skilled-persons to meet the skill gap in the Food Processing industry, FICSI inter-alia is mandated to:

- Development of a sector skill development plan and maintain skill inventory.
- Determining skills/competency standards and qualifications and getting them aligned with NSQF.
- Standardization of affiliation, accreditation, examination and certification process in accordance with NSQF as determined by NSDC. May also conduct skill-based assessment and certification for QP /NOS aligned training programs.
- Participation in the setting up of affiliation, accreditation, examination and certification norms for their respective sectors.
- Plan and facilitate the execution of Training of Trainers along with NSDC and States.
- Promotion of academies of excellence
